“ I used to visit during the summer to visit great uncle Joe and his family with my grandpa Ernst Danielson, Joe's brother, and my grandma Hilda. The summers were such wonderful memories, sitting on the roof of the farmhouse in Eagle bend in the warm rain watching lightening. Eating fresh corn we picked, making old fashioned homemade ice cream, I can almost taste it even now! Going to Wadena to get fireworks. I never wanted to leave. I wish I could have told them how very special those memories are and always will be in my life. I will see you again my dear family. You are missed. You are never forgotten. Tami Danielson
