“ I always loved visiting with Lois when she would come to the Eagle Bend Clinic and the days I would go to CTCCC and draw her blood there. She was always so sweet and loving. She will be truly missed!!

“ *Lois was a very special Lady. Loved our visits when I was with her. She loved telling me about her children and their families. She would really worry when the Granddaughter was with her husband and children in Russia. She had God in her heart and was so proud when Larry became a pastor. She said now I have to son's preaching God's word. We had lots of laughs and a few tears, but I really was the lucky one to have Lois in my life. Hugs to all of you.*
