“ *Auntie - as we called her - will be missed. She was always there for us growing up, and when we became grownups she became Auntie to our children. Here she is with my son at his baptism 18 years ago - she christened him Pumpkinhead! Only she could come Up with a perfect name! I will always have such great memories of her house, her flowers, her ceramics, all of her many gifts - but mainly her love for us all. Love to you now Rosie, Gene, Leanne and family.*

“ Lois was a dear person. It was a real pleasure to work with her at school. She always went above and beyond to keep the school facilities clean and shining. And after that we always had a nice visit when we ran into each other.

Will remember all of our good times together. She loved you all very much. Also to Niece Lori you were so special to her. She was looking so forward to you healing and coming to visit. And Joannie and Glenn you helped her so much and she really appreciated it. RIP Lois now you can join Herbie and Lindy. Prayers and hugs to you all.
