“ I'm the daughter of Bob and Shirley Jones. I've know Loretta since the day I was born. Kenny and Loretta were my godparents. I have many wonderful memories. My most favorite though has to be laying on the floor by the table in the dining room on those pinnochle nights watching the fish that hung over the dining room table, listening to my Mom, Dad, Kenny and Loretta play cards at the house on Ottertail Lake. She loved her Kenny very much and at last after all these years she can finally be with him. Bless her heart.
