“ *Loretta will be missed by many, she had a great LOVE for her children, grandchildren and great grandchildren. I was lucky to be able to have so much time with her over these last few years. We had many of talks, and laughs. She loved ya no matter what. I know you will all miss her very much. She is probably up there dancing with Floyd tonight. She really did miss him. She was very strong willed and showed it by being there alone all these years. She treasured everything all of you made or gave her all of these years. Our sympathy goes out to all. Loved her a lot.*
