“ Jerry & Family, I'm so sorry to hear about Lu, we spent many hours together when we lived at Fair Oaks. I was able to take her many places she wanted to go to. We both enjoyed each and I was glad to be a friend that she always felt she could confide in. We both looked forward to the next time we could get together... I was not in Wadena at the time of her death due to sickness in my own family, when I got back I heard about this and was very sad. She talked about all her family a lot and loved all of you.

God Bless

“ Jerry & family~ It has been a long time since I last visited Lu at Inga's (when Neta Y. was still living there), but I always enjoyed visiting with her. May the earthly farewell to your mom be blessed with dear memories you share. Di Schiller Anderson
