“ *Mark and Family,*

Terribly sad to hear of the passing of Lyle. He will always be remembered as one of the great guys of Wadena--I'll never forget all the good things he did for Baseball in Wadena. A lot of us owe him a great debt of gratitude--there'll never be another like him.

Godspeed in your healing.

“ *I didn't know Lyle personally but I do know that he was a wonderful man. When my husband was deployed in Iraq Lyle sent him letters faithfully. It wasn't something he had to do, he chose to do. I never got a chance to thank him. But I hope he knows that I appreciated the time he gave to my husband. I pray that he is resting peacefully. Marlyn I am thinking of you and your family.*

“ *Marlyn and family,
What a wonderful man! I shall never forget the support and interest he showed in me some 30 years ago... and the sport of baseball... by stopping occasionally in Red Lake Falls to view one of my baseball practices and talk the sport. It was even more a privilage to coach against him in the 1994 section 8 baseball tournament held in Wadena that year. He will be missed. My thoughts and prayers are with you.*

“ *Lyle was a great and humble man. I remember trying to tie him to some of the "Chiefs" or "Indians" or "Wolverines" baseball success and he would just smile and say you must have me confused with someone else. He really got the game of baseball, and never grew tired of giving to it.*

Lyle was so kind to so many...I will miss him.

“ Sorry to hear of the loss of Lyle. He was a big part of baseball in Wadena. I had him for a coach and so did my boys. My sons and I had the privilage of knowing Lyle and benefiting from his knowledge of the sport Lyle loved. Lyle could get his point across in his quiet manner of explaining things. May he rest in peace.
