“ *Marcella helped me in my Kindergarten classroom for many years at St Ann's Catholic School in Wadena. She was always loving and kind to the children and very encouraging to me. I enjoyed her sense of humor and she became a very special friend as well as a valued help to me. I will think of her often with much respect for her kindness to all and her faith that she practiced each and every day. With my deepest sympathy to friends and family, Carol A. Focken*
