“ *We treasure highly our friendship with her and her birth family. We send our deepest sympathy and love to her husband, children and grandchildren, and to her parents and siblings. Also to her extended family on both sides of her family. We pray God's gracious love may surround them in their untimely loss of presence. But we rejoice in the faith they claim that we shall meet again in the home Jesus has prepared for her and for us all.
Love, Joan and Milan*
