“ To me she was Auntie Marlys. I have so many memories from when she took care of me. It was my 2nd home while growing up. I loved her bacon and eggs, and when after my bath she would use this big puff to put power on me. A very caring and loving soul.

“ My condolences to the whole family. I used to visit your mother when I worked for Home Instead and we had many lunches, shopping excursions, and hours of visiting together. I always loved sitting and visiting with her she was so loving, and the best cook, especially her Tuna hotdish; when Frank told me of her passing I had to go out and buy the ingredients for it just so I could make it in her memory!!! She will be missed.

“ Marlys was my mother in law. I was 17 when I first went to her home to meet her. Her son Bob was who I was marrying. I was scared, Bob was overseas but I went. She sat a cup of coffee in front of me and it was black, and I didn't like coffee. Now I have been drinking black coffee for almost 50 years God Bless her. She was a good mother in law and grandma. And a good mother. She shall be missed, she is at peace, giving someone in heaven a cup of black coffee. Love You Marlys.
