“ Dear Cousins,

*My deepest sympathies. Your parents were such wonderful people! It always amazed me how your parents had a smile on their faces. They were fabulous role models because their children are the same way. I remember asking your mom and dad what they did as parents since all of her children were so happy and what they did since all of their children wanted to spend time together. As you guessed...they just smiled. I truly wanted to learn from your parents because I saw their efforts have successful and happy results.*

*My thoughts and prayers go out to all of you.*

*Your cousin,
