“ My Prayer and thoughts go out to Mary's family. I had the pleasure to get to know and love Mary from work. Mary was hard working, loved and cared for her residents she took care of as though they were her own family. Mary always had a positive attitude. We shared a lot of fun times and laughter together she always had a smile on her face. Although when it was time to get to work Mary would say "Come on girl lets get this done" Mary is truly missed and has left an emptiness in my heart.

Becky & Bonnie, I'm so sorry to hear of your mom's passing. For some reason we lost touch and I've always wondered what happened to her. I'm sorry to find this out after all this time I still wish we would have stayed in contact. My love to you both.
