“ We at Milaca school were saddened to hear of the death of Matt. I was a staff member when he was going to school. He was also a member of St.Paul's Lutheran church which I attended.
God bless and comfort your family.

“ Matt was a very loving and caring person. I met Matt at work and we became very close. He would come and spend weekends at mine and my mom's house before we moved to Wadena. He helped us move to Wadena and we were neighbors. We would spend lots of time together. I will miss him greatly. He was one of my best friends. At work we would always spend break time together. He loved to joke and laugh. I'll always remember his bright smile and friendliness. Matt you will always hold a special place in my heart. I will always love you.

“ I always enjoyed having Matt in my class. I wish I could have done more for him and helped him through Confirmation. Our son, Travis and Matt were friends for a time. I'm sorry too to hear about your Mom, Katherine passing away. It is good to think of them together now anyway. May the Lord comfort the family left behind and give you all hope through Jesus to join them in our Heavenly home. Sincerely, Carin
