“ Our deepest sympathy in the loss of your dear Mother. She was such a nice lady. I know that my Mom was waiting at the pearly gates to welcome her in. Our thoughts and prayers are with all of your families at this time

“ After my husband and I adopted our daughter in 1954, Uncle John and Aunt Mercedes stopped at our little apartment in Cold Spring, MN to visit with us and see our new baby. This was so thoughtful as it was quite a long drive and they had gone out of their way on a visit to St. Cloud. We so appreciated their taking time to see us and were so happy for us. She was always a special person to me and I was so sorry I could not make it to her 90th birthday celebration last year. My sincere sympathies to all of you. God Bless!
