“ *To the family,
I am truly sorry for your loss. I've worked with Mike for only the last 8 years, but I would work with him everyday. There is an empty feeling in our shop just knowing Mike is not here, sitting in his chair turning a wrench. Mike had a quiet and surprising sense of humor. Mostly on Fridays, at the end of the day he'd remind us... that it was "Miller Time". The little things here and there are what we will miss the most.*

“ Joe and family,

I am so sorry for your loss. I remember Mike, Duane and Danny always hanging out at the farm. Mike was always so shy. Hopefully the knowledge that he is w/ Duane now, they are probably having a good time, will help deal w/ the loss.
