“ You are in our prayers at this sad time, and hope that you know God is with you and will be there to help you through. You will always have your memories. When someone you love becomes a memory the memory becomes a treasure.

“ Both Tara and Laurel spoke of meeting their Uncle Mike when they were in Minnesota years ago,so he made an impression on them.Your sorrow is shared by all who know and love you!You are fortunate to have so many loving family members to support you now.I know that Dick is there in spirit.He feels that a visit later might be of more help to you than his coming now.

Tomorrow,I will offer a prayer for your comfort . These are times when we have so many questions about life .Allow the comfort of your family to support and hold you.

Thinking of you with love,

Paula
