“ *Minnie Gedde and I met when she worked at the Davis Clinic on Emerson Avenue.*

I was a High School student working part time. She was a wonderful person and great co-worker. We also worked together at the Wadena Medical Center. I regret losing touch with her these past years. I'm sure she is happy to be with her beloved Harold. My sympathy to her nieces, nephews and other family members. I am sorry I won't make it to her funeral service. Julie

“ *I would like to say some words of how nice she was. I miss her and wish i could see her just one more time. I loved having picnics at the "Gedde Picnic" with her. I loved her and she was a very good woman. This is to my great aunt and I hope she loves it.*
