

Nancy Montan King

June 26, 1948 - October 17, 2024

Nancy Montan King passed away October 17, 2024, at the U.of M. Hospital after a courageous battle with cancer and complications from aspiration.

Nancy was born to Paul and Shirley Montan in Roseau MN, June 26, 1948, and was raised in Wadena, MN

She was a proud citizen of Minneapolis for over 50 years, serving as a special education teacher for over 25 years in the MPS. She loved spending time on the water and on the beaches of Leech Lake. She raised and adored four gorgeous standard poodles, Harley, Jamaca, Amigo, and Ruby, plus a rescue dog, Sasha. Nancy enjoyed a wonderful marriage with her beloved husband and best friend, Jim. They had a great time in each other's company, keeping a lovely home and yard, cooking delicious meals, enjoying good wine, and simply being together.

Survivors include her husband, Jim; their dog, Ruby; and brother Tim Montan of Wadena.

A heartfelt thanks to all the very kind and caring staff, including the valets, at the University of Minnesota Hospital.

No service is being held. The family requests that cards and flowers not be sent. Instead, share a kind deed towards others in Nancy's name.

“ *My deepest condolences on your loss. I spent quite a few hours as a teenager at the Montan home and have a distinct memory of a brownie fail which didn't keep us from eating them; also a serious water fight with the sink sprayer which of course we mopped up before Shirley got home. RIP!*
