“ Although I did not know Nathan personally, I will never forget the day he called Mrs Nancy on the phone after he had been in the hospital for a while after his stroke. She was working at our home with our son that she takes care of during the week. The excitement in her voice and the tears in her eyes are something that I will never forget.

To the entire family, we feel like we have also lost a loved one. May God bless you all during your time of loss. Celebrate the life of Nathan and we will continue to keep you all in our prayers.
