“ We are so very sorry that Neil passed away so young. We are thankful he didn't suffer any longer than he did. You two were blessed to find each other and although your life together was way too short, it was still a gift. We pray for God to bless you with comfort and strength as you face the days and weeks ahead. You are a strong family and cared for in the loving arms of Jesus. Love to you all.....Duane, Donna and Tracy
