“ *Nellie made a Sept 11th wooden carving and a Statue of Liberty picture for me. I treasure them. She made 6 Sept 11th carvings for me to pick some out for my kids. She put them in the back seat of her car and stopped at home and had lunch. She didn't think she had to lock her car in her yard. She came out after lunch to come show them to me and they were all gone. Someone stole them from her. I never got them for my kids. Nellie was a wonderful talented lady.*

“ Dear family of Nellie,  
What a wonderful example of a most caring person. Nellie accompanied many family members to the Wadena Medical Center & was most concerned about their care. May you find comfort in God's care & hope in the resurrection.  
Most sincerely,

“ *Nellie went deer hunting every year, and was a bit disappointed that she didn't get one this last season. It would have been her 55th successful hunt. She was an avid woodworker, producing stunning pieces. She lived life to the fullest. We have lost a vital part of our family, but are left with great memories.*
