“ I am so sorry to hear about Nora's passing. Viewing the photos was great. I remember the years we lived accross the street and the girls babysit our children. I remember Sheila catching a ride to school with Swede. I recently found an old newspaper article with a picture of the bowling team that Jerry and Swede were members of. Those were good times and left wonderful memories. My love, LaVonne

“ I am sorry Nora had to suffer so much. I am glad she is now at peace. I recall staying at her house a couple of times during the time I was in the service. Both Nora and Swede were so good to me those times with all their attention focused on me. I recall once spending a week of vacation with my wife Susan at a lake near Alexandria and driving up to Bertha one evening and going out to for dinner in Aldrich as I recall. Nora and Swede had arranged it all and of course paid for the dinner. They were very kind and generous.
