“ We are saddened to "know" of Patty's death. I, Diane take my business seriously, and each of my customers become very special people to me, whether we've know each other a long time or a "short" time, this being the case with the Horns. God Bless you, the family of Patty. Diane and Larry Hahn

“ Patty was such a wonderful person each and every time that I saw her. I first met her when we worked at McDonald's together. She was a very caring person. Her smile and her cheery attitude will be missed. So sorry for your loss.
