“ *Dear Marlene and Abby,  
We send you our sympathy and remembrances of Paul and our  
associations with him, mostly in his business. He was always  
gracious and was willing to help any client of ours that was beyond  
our skills. It was always pleasant to meet him at workshops and  
have pleasant words with him.*

*He will be missed.*

“ *My heart goes out to you, Marlene and Abby. Paul was a dear person who always had a smile as a greeting. For several years he helped me with my taxes. I appreciated his help, of course, but I like to think of him as a warrior as he dealt with severe health issues. May he bask in eternal light, free of all pain.*
