“ *When I was thirteen I moved into Crookston from our family farm in Fisher. I lived with Aunt Pauline and my twin cousins Mary and Donna. I attended Saint Joesph Academy during the day and cared for my young cousins in the evenings while Aunt Pauline worked at the phone company. I appreciated the opportunity to attend private school.*

In recent years during trips west to Detroit Lakes, Fargo and Montana we chose Hwy 10 and Aunt Pauline's open, accepting welcome. As the years go by we will continue found memories when in the community Aunt Pauline spent most of her life. God is love and does not forsake those who love him. God bless
