“ *When Pete and I got married, he wanted to move to Minnesota and be a farmer, which we did, and I am glad we did. We raised 4 wonderful kids who learned how to work hard and be strong. I love them very much and the spouses they married and I know he did too. Rest in peace, Pete.*

“ *I remember those days going to your house in grade school to do whatever we were getting ourselves into... whatever sport we were playing at the time. I remember thinking your dad was one of those "cool" dads. Even now, after 20 years I can still remember his smile. He always made me feel comfortable and welcome in your home! Praying for God's comfort and strength.*
