“ One of the things I will remember most about Pete is that he loved to tease people, especially his wife, Barbie. He liked being around other people, and he especially enjoyed his granddaughter, Makenzie. I will miss him.

“ When we used to stay with Pete and Barb, my sister brother and I would "help" milk the cows by feeding the calves. Everytime we were there, he always had a calf named after one of us. We were thrilled!!! I am glad we were younger when we found out what happened to them. Thank you Pete for putting a smile on my face and making me feel special enough to have a calf named after me!!!

“ Please accept our heartfelt condolences. We had the pleasure of meeting Pete last year. And for just those few days we have known a genuinely kind individual. We knew then what a great loss his passing would be.

May our prayers help you during this very difficult time.

“ We will always remember Pete for his kind & caring ways. If anybody ever needed help, Pete was right there with a smile on his face. Even when Pete was so sick, he had a twinkle in his eyes. He loved his family with all his heart and MaKenzie was the apple of his eye.

May you find comfort in the knowledge that you will reunite one day in heaven.
