“ *Sis has been awarded her angel wings. Such a beautiful lady, in every way. Her smile lit up a room, and that smile was always there. I always felt a little bit special when I said "she's my cousin". She's home now, with Harry and Dick. And what a great reunion that had to have been. Your Mom was a very special lady, Charles. But I don't have to tell you that. You have my heartfelt sympathy.*

Sis has earned her angel wings. Such a beautiful lady, in all ways. I loved claiming her as my cousin. And she was always so good to everyone. Will never forget her beautiful smile and friendly, loving ways. Heaven has gained another wonderful angel.
