“ My Dad had Ralph as a bus driver when he was a kid, then I had him as a bus driver myself! I always thought it was cool that I had the same bus driver as my Dad!

My condolences to the family! May God bless you in your time of sorrow!

“ *Ralph was the greatest guy I have ever met. He dated my Aunt Fern for many years. I always wished he would have married her. They were best friends. He had many great stories when we went to visit him and Aunt Fern. (they both will be missed dearly.) Ralph I considered to my my Uncle through marriage and I will miss him. Wish I would have been able to come over to the funeral for both. He will forever live in our families' hearts. My prayers go out to his family.*
