“ *Marlene Sorenson called and told us that Ray had died. So, we wanted to introduce ourselves and send our sympathy to you, Mavis and all your family.*

I knew of Ray, but had not met him that I can remember. Seeing the picture on his obituary reminds me so much of his dad. When I was young, Ed and Rose occasionally came to Good Thunder to visit us and especially to see his brother, Rob, my grandpa who lived on the farm with us when we were growing.

Some years ago, we met and had a wonderful visit with Janice and husband. I'm not quite sure of the occasion, but I think it was an anniversary for Erwin and Madge.

Again, we want to say hello from the Good Thunder Misslings and send our deepest sympathies.
