“ Uncle Richard was the only Uncle I really knew on Dad's side. He cared about me and felt the pain of my loss's. He had a big heart! I remember how he appreciated me bringing him a toy dog for the back of his car when he had a heart attack. I said you better behave because that dog is going to keep an eye on you, and he smiled. I will miss his kind eyes and smile.

“ Lola and family,  
My sympathy on the death of Richard. He did some plumbing for me when I lived in Wadena. On one occasion, Lola helped. He was a kind caring person, even when my cat laid on his coat. May your happy memories help you through the difficult days ahead. Julie

“ Dear Lola and family,  
I have some wonderful memories of playing on the farm. Uncle Rich always had time to get the tractor out and pull us around on our sleds. I can still see him chuckling as we all ran around crazily waving sparklers on the 4th of July. There wasn't a mean bone in his body and the crinkle in the corner of his eye and his kind, patient voice will always remain in my memory. We will all miss him very much.  
Sincerely,  
Kathy

“ To Aunt Lola, Debbie, Becky, Rich, Kevin Tammy and Bobby,

*We have so many good memories of Uncle Richard. He was always smiling or at least that cute little smirk he had. I remember that cute little tricycle that he bought for Lana. (His God child). It was purple and had a banana seat with the high rise handlebars and streamers. He set that aside as soon as it came in at Zosel's for her. She was always so proud of her new trike. We cherish the memories of Uncle Richard. May God give you all comfort at this time.  
Love you all. Vernie*
