“ *My Mom and Dad got to visit Uncle Bob in 1988. I drove my family up to Sebeka along with Mom and Dad on a Sunday. Darlene and Bob had a nice residence nestled in the woods. We had a picnic there that day. I was anxious to go to our next destination and almost feel guilty for leaving kind of early. We were on the way to Breezy Point! I remember Uncle Bob talking about the fence that he made, almost completely by hand and how he had to literally split the limbs by hand. In this day and age, it seems to be a rare feat. Bob told the story 'matter-of-factly' almost!*
