“ *Meeting Roberts mother and sister have made me grateful to hear all the things that I didn't, and did already know about him. The past 6-7 years I have known Robert has brought such a special light to my life. I loved him like family and will always remember him. He did everything he could to help people in need. His dog's were his life along with his family. His plans were to move back and be with his family, he always will be. I can never say enough about him and it has been hard to find the right word's. He wanted to protect everyone he loved and he did. He was to kind-hearted. Robert King you meant more to me then you will ever know. I know you are finally in peace.*

Robert was a very kind hearted man. I enjoyed sitting and talking with him. I have a special gift from him. He gave me Shilo, one of Star and Busters baby. Shilo loved Robert. When we would go visit him, she would start whining in the car. Shilo knew where we were going. I'm going to miss you Robert, you are free now. Star and Buster are with you. You will never be forgotten. I wish Shilo and I could have saw you again before you left.

Hi. This is Sharon Matthew and I am Robert's sister. I live in Texas. My phone number is 903-462-3902. Anyone who knew my brother please feel free to call me anytime, especially Matthew Bart and my niece Hieka. I want so much to reconnect pls! I miss my brother more than my heart can bare. Mine and Roberts journey thru life was difficult yet beautiful. He has such a big loving giving georgeous heart! He loved deeply. He had his share of pain and heartache and faults and problems because of it but he always always saw the beauty in all of creation! I can't hardly wait till the day that our hearts and souls meet again for I'm positive that we will! He wanted to ask forgiveness of everyone that he did wrong. Some people he did and others he did not know how to get ahold of. His body and mind, the last 6 months or so was failing. Oh how I love my big brother! He was my only Hero and he knew it! My eyes have tears so I must go now. Our mother is 90 yrs old and so far hanging in there! I have my daughter, my (favorite) son in law and my 3 grand daughters, a beautiful family! Please do contact me anytime day or night! I look forward to it! Oh, please give it a few days from now and then call me (to make sure my phone is on) lol Take care everyone, Robert loved each and every one who entered his life! Oh, and how he did so love his animals, all animals! Thank you all for ur thoughts and kind words! Robert was so loved and is so missed.
