“ *Melba and family. When I think of Roberta, the good ol' Tupperware days come rushing back with Roberta AND you in them. I always thought Roberta was so pretty and vibrant, like you Melba! May her soul be at peace now, and may you be joyful with all the great and wonderful memories you have to "covet" about your mom! I'll be thinking of you in this hard time! A friend, Diane Hahn*

“ I am so sorry for the loss of your mom. She was a wonderful co-worker and always a very classy lady. I told her she was "well preserved" and never looked her age. She had a wonderful laugh as well. The world is a better place because of people like her. I adored her and, along with you, I will miss her.
