~~~~~

Rod, 77, passed away unexpectedly on October 29, 2025, at the Lakewood Health System Hospital in Staples, MN.

Rodney "Rod" Craig Enberg was born to Donald and Helen (Houwman) Enberg on April, 24, 1948, in Aitkin, MN, where he also attended school. He served his country in the U.S. Army as part of the 82nd Airborne, beginning in 1967 until his honorable discharge in 1969.

Rod married Denise Cartie and they were blessed with three children Paul, Shae, and Jaron.

He received his watch-making degree and owned and operated Enberg Jewelry in Aitkin. A few years later he worked on the Trans Alaska pipeline as a fabricator until 1982. He started logging and operating the sawmill that he

built, continuing to build his logging business near Motley. He then married Lynn Tholl. Selling timber, wood shavings, and mulch, he eventually turned the business into one of the most successful logging businesses in Minnesota. He listened to private landowners and worked with State forestry policy makers. He received recognition several times, notably in 2022, when the MN Sustainable Forestry Initiative (SFI) presented him with the MN Logger of the year award. Rod was an avid outdoorsman, spending his free time hunting and fishing. He also loved singing and enjoyed theatre. He was a member of the American Legion, MN Loggers Education Board, and was a former Timber Producers Association President.

Rod was a joy to be around with his witty sense of humor. Using his creative gifts, he pursued many interests. He was generous and encouraging, always ready to take on the world with a can-do spirit. He had unbelievable perseverance and grit. Rod loved to work, and if there was anything he didn't do well it was sitting around.

Preceding Rod in death were his parents, Donald and Helen; and former wife, Lynn Enberg (2020).

Surviving Rod are his children Paul (April) Enberg of Verndale, Shae (Jim) Gaulke of Hillman, and Jaron (Heather) Enberg of Littleton, Co; stepsons, Mark (Cecilia) Tholl, Jason (Melissa) Tholl and Justin Tholl, nine grandchildren, three greatgrandchildren; siblings, Gary (Jackie) Enberg of Aitkin; nephews Joe Enberg and Chris Enberg; special friend Denise Baumgart; along with a multitude of neighbors, friends and customers.

Honorary casket bearers will be Eva Gaulke, Micha Enberg, Eli Enberg and Luke Enberg.

Serving as casket bearers will be Trevor Enberg, Tanner Enberg, Colton

Gaulke and Hayden Gaulke.

“ *So sorry to hear about Rod passing - He was a good customer and
we became friends because he was always in good nature in our
dealings.
He was a great example of a thoughtful and understanding man
which made working with him so beneficial. I always thought about
Rod coming and going different places while passing the shop on
Hwy 64. He will be missed by all. God's Peace to Rod's family,
business crew and close friends.

“ I met Rod when he was hired by my forester to revamp my land from a pine plantation to a deer habitat. Rod and his crew understood my wants and needs and performed the work beautifully. I spent some time with Rod as he operated a huge new "mulching machine" to take out stumps and transform the logged area into a big food plot. We spent the day together...and I gained a new friend. Rod was a rare breed...and understood the needs of a landowner....rather than just take a profit from cutting timber. I appreciate him and his crew...and Rod and I later became Facebook friends....tho we have not see each other in years....we are kindred in spirit. He is a tribute to his profession....and I remember him as my freind...a good man in my book. RIP Rod!

“ Rod was always so nice to me and my Tanley from the first day we met him. We bought a lot from him in Oxbow Estates back 4 years ago to build our new home. Rod was always there to help us out with our projects and yard work. He even stopped by for our summer parties too. I liked him from the first day I met him. Rod reminded me of my own father, and he always took time to talk me and my wife. We will miss Mr. Enberg , you were one of a kind. The Lego family.
