“ Miss him. Sucks he did this on my birthday... I'll never be ok with him being gone. But I understand why he did it. Love you forever, Ronnie

“ I remember playing catch with Ronnie out in the yard whenever I'd visit South Dakota way back when. He had such a big sensitive heart and a huge handsome smile ❤️😊 I will always remember him that way! Sending my love and prayers to the family 🙏💋😊 May Ronnie rest in the eternal peace and comfort of the heavenly Father.
