“ *As a daughter, I didn't take the opportunity to sit back and realize what Mom really did after I left home, going on with my life; all her children moving forward. Today I did.
Mom, Thank-you. You are an impressive woman, an example for young ladies who can chose to be loving, giving women because of knowing you.
I'll see you again. While you're waiting for me, please give my love to Honda, Leo, Tigger, Smokey..... ;-} They loved you too.*
