“ Dear Debbie, Bethel, Cheryl and Terry,

My thoughts and prayers are with you at this time. Unfortunately, I understand only too well what you are going through and the huge loss your family has incurred.

I have many fond memories of your dad, especially at the store, too many to write here. Remember eating crackers w/raw hamburger with seasonings on it? It was great! It was because of your dad that I had my first taste of turtle, and I didn't hate it!

I am unable to attend the service due to a previous commitment, but I will be there in spirit. Heaven has received another angel.

“ Bethel and family,

I am so sorry for your loss. My husband, Bob, passed away in February and I know how difficult your loss is. I sure thank you for the wonderful friendship you had with my dad, Ove and Aunty Lue. Now I have a neighbor who sees after me.
