

Sandra Lee Whitfield

December 11, 1948 - January 29, 2023

Sandra Whitfield, mother, friend and partner, sadly passed away January 29, 2023, at St. Joseph's Hospital in Park Rapids, MN.

Sandra Lee was born to Charles and Lieselotte (Nadler) Whitfield on December 11, 1948 in Hammonton, NJ. As a military child, she lived overseas for a large part of her childhood. She returned back to the states and was fortunate to live and learn about the many cultures from coast to coast. She shared her wealth knowledge with her family and friends. Sandra loved her pets. For many years her and her partner had a small hobby farm in Verndale. Where she raised horses, sheep and chickens. There was never a time where she didn't have a couple of dogs by her side. Her love for her pets kept a grin on her face and warmth in her heart."

Family and friends found Sandra to be a wonderful woman who was always there when you needed her. She was very kindhearted and loved by many. For several years she fought a battle with COPD and heart disease and was determined to overcome it when anyone else would have broken, yet Sandra remained strong. Because of that her family and friends know what resilience and perseverance truly are.

Preceding Sandra in death were her parents, Charles and Lieselotte, and daughter Cheryl Frock.

Memories of Sandra will remain with her life partner, Teresa Brown of Sebek; son, Russell Davis; daughters, Angela Simms and Jaclyn Bataclan; along with two grandchildren.

A memorial service will be held at a later date.

Even though we had not seen each other in a long time, I will always have memories of the good times we had. Rest in peace Sandy.
