“ *Sandy lived across the street from me. She was kind of a homebody and I only saw her now and then. I am so sorry for your loss. Heartfelt sympathy to her family.*

*Sandy was the school secretary at Walker Elementary School when I arrived there to be the media specialist in the late seventies. I was so young then! She told me one day that her dishwasher had started smoking when she wasn't at home! She told me NEVER to leave home w/an appliance running. I've followed that advice to this day! She was a great school secretary!*
