“ *Bonnie, Polly and Rick: So sorry for the loss of your sister. I didn't know her that well but felt a connection since my son also had MS. That is such a hard disease to live with and so unpredictable. May they both be enjoying all the things they loved doing but couldn't anymore.*

“ *Bonnie, Polly, Rick and family--so sorry for your loss. Sandy fought the battle for a long time and she is now at peace. As you all know, we were friends for many years. I think we had known one another since grade school. She was involved with my wedding. I enjoyed her wit and her straightforwardness. One of the last times I spoke with her she told me that she and I were a couple of "Old Broads". I remember that we used to listen to Elvis records in the porch at your folks' place. She and I were big Elvis fans. Know that our thoughts and prayers are with you at this time.*
