“ Our hearts go out to your family on the loss of Scott. He had a rough road for many years and handled it with grace and dignity. We had a chance to talk & visit in 2009. I'll treasure the hug I received from him always. And I'll remember his wonderful smile. Bless his heart.

“ There is no rhyme or reason for what happened to Scotty. He just faded away from us. I know a big hole is left in your hearts, Judy, Ray, Trent, Tim and Ann, but we can celebrate the life of Scotty and thank God for taking his hand and leading him home, where he's whole and well again. No more pain, no more struggles. You all have my deepest sympathy, and I continue to keep you in my prayers. And thank you for allowing me to be a part of your lives.

“ Ray and Judy,

Just heard about Scott's passing I am sorry to hear about this. Scott and I graduated together and I have very fond memories of Scott. He always had a smile on his face and was your TRUE friend. We didn't stay in touch once we left school but when I look back at our yearbook he always brought a smile to my face. Hold on to your memories and let them get you through this difficult time. May GOD BLESS YOUR FAMILY.

“ To Scott's Family, I want you to know that there has never been anyone better than Scott as a Word Processing Professional at our company. He was the best and remains a legend in the history of our company. I miss him and there is probably not a week that goes by that we do not recall how Scott would do it! I am thankful he died in peace and from what I have been told, he died reconciled with God. If we are called in heaven to do anything like what we do on earth, Scott is top on my list to recruit. I believe it is only a short matter of time before we meet again. My best to all of you and I will keep you and Scott in my prayers, Bob Strachota

“ Ray, Judy and family,
Our thoughts and prayers are with you at this sad time. We all know that Scotty is at peace now but will be missed by all. Nothing but good memories babysitting the boys. Scotty, you should be reading my Obit buddy, not the other way around. See you on the other side.

“ *Scotty was a fun, quiet guy.....very smart and a good friend. He watched out for me when I moved to Wadena when other kids were picking on me. He will be greatly missed. I'm glad that I will meet up with him again in heaven some day. My prayers of strength go out to his family at this hard time.
Love you all with my whole heart!

“ *We are so sorry for your loss. Hard to understand some of God's plans for us and why Scott had such a lengthy struggle with his health. He now resides with God without health issues. For that we can be grateful. God give your family strength thru this difficult time. Our thoughts and prayers are with you and your family. God bless you all!*

“ Dear Mitchell Family,
So sorry to read of Scott's passing. I know I haven't seen or talked to him in years, but the Scott I remember back in Wadena in the early 80's was a fun-loving, wonderful guy. He always had a great laugh and was fun to be with. Take care and may the many special memories you have help you get through the tough times.
