“ Your mom was always good to our family! I remember she took Ray and I to "Pscho" I think that was the name of the movie. The one with the shower scene. Ray and I were so scared..... but your Mom tried hard to quiet our fears. We thought we were so BIG... we could take it! Right!. I remember also when Warren and I were going together your mom and dad opened their house so we could go to the Cities. She was a beautiful lady! God blessed be her memories!
