“ I grew up with Stacy. He was always kind and gentle. You could find Stacy with a twinkle in his eye and a sweet comforting smile. Rest in peace.

“ Stacy and his wife worked for us many years ago. He was extremely strong and when he was in the mood, could get more work done in an hour than most people could do in two hours. He had a good sense of humor but his mood could kind of turn on a dime and he could get very angry. Afterwards, he would feel badly about that. We cared very much about him and his family and still do.
