

Dr. Timothy Schmitt

September 3, 1944 - August 13, 2022

A private memorial service will be held to celebrate the life of Dr. Timothy “Tim” Schmitt of Wadena.

Dr. Schmitt, age 77, passed away with family at his side and compassionate care provided by Knute Nelson Hospice, on August 13, 2022, at his home in Wadena, MN.

Tim was born to Norbert and Luella (Beach) Schmitt on September 3, 1944, in Winona, MN. He graduated from Austin High School and St. Olaf College. Tim received his diploma with the U of MN Medical School Class of 1970 and did his internship at Hennepin Healthcare. Tim was married to Virginia Gale Sonstegard on September 19, 1971, in Spicer, MN, and they made their home in Wadena. His medical career started with two years in surgical practice in Browerville. Local communities will remember him as a family medicine specialist for over 45 years at Tri-County Health Care in Wadena. Tim delivered approximately 3,900 babies during this time and was instrumental in recruiting top specialists from the U of MN that were brought to Wadena to consult. Tim served as the Wadena County Coroner from 1973 until 2013 and he was also Chief Medical Officer for three years. In addition, he served 12 years on the Wadena Deer Creek School Board.

Tim was dedicated to the Wadena area medical community, serving and

providing care for its families and members. Since he was a child, he knew he wanted to be a doctor and this passion became his life's work and primary focus. He was an avid athlete, playing many sports in his youth, though he excelled at baseball. He was inducted into the Austin Hall of Fame and continued his love of the game going on MLB trips with his sons-in-law, grandkids and his brothers. Tim and Gingie's shared interest in tennis was embraced by their daughters who played competitively in HS and college and now their grandkids. The US Open in NY was a favorite pastime. Tim enjoyed fishing and boating on Big Sand Lake, Park Rapids, where they frequently hosted family and friends at their lake home. His competitive nature was often challenged at the ping pong table or with the cribbage board. He loved to play cards, read books and could talk about stocks/investments for hours with anyone who would listen. Tim had a gentle, compassionate, and loving disposition yet also loved to tease and joke, often making up nicknames for those he was fond of. Tim enjoyed Gingie's home cooking and would never turn down a warm chocolate chip cookie. He had a bit of a sweet tooth and would turn to local favorite restaurants where he'd finagle a custom ice cream sundae with fresh raspberries or a twist doughnut that was set aside just for him. Tim is much loved and will be missed by many.

Preceding Tim in death were parents, Norbert and Luella. Tim will always be deeply loved by his devoted wife, Gingie; daughters: Erika (Todd Wartchow) Schmitt of Mendham, NJ; Maja (Ryan) Paape of Neenah, WI; Leah (Kevin) Taylor of Clive, IA; Elsa (Steve) Schmitt-Attridge of Evanston, IL; and Mikaela (Joe) Schmitt-Harsh of Rockingham, VA; 13 grandchildren; brothers Dr. Norbert (Phyl) Schmitt and Steve (Betty Jo) Schmitt; along with numerous extended family members, friends, and former patients.

Memorials may be directed to Knute Nelson Hospice or the Wadena Food Shelf.

“ *Dr. Schmidt was my doctor growing up...he called me “Tiger” because of pain endured which he assisted with in regards to frequent ear infections. Later on in life, I had the privilege of working under his direction at TCH. He always had pictures of his family in each room when I was growing up and was extremely proud of each member.*

May those whom are missing him dearly be comforted and blessed especially during this time.

“ Dr. Tim Schmitt was my next door neighbor for over 42 years. We enjoyed consoling each other over the trials and tribulations of the Twins, Timberwolves, and Vikings. He was also my doctor for most of those years. I credit him with pressing me to get tested for an issue I thought was nothing. Caught something bad while there was still time to do something about it. My condolences to the family and you are in my paryers.

“ Dr. Schmitt was my very favorite doctor EVER! I'll never forget the first time I saw him. He was at the "old clinic". I was hoping to get a doctor who was blind in one eye & couldn't see out the other. In walks this handsome YOUNG man & I was mortified! He was so wonderful. Always had time to share. Not like today. Get in get out. I remember one time, I was pregnant with my first, he sits down & says, "What questions do you have today?" What a guy! I will always miss him. I am convinced he is in heaven, waiting for his family to join him.
