“Randy, Anna and Leon -- What sweet memories I have of Tina, my "Teener Weener". Childhood memories of her and Leon back when you guys lived here. She was such a good child. I remember when Randy would have to work out of town, on Tuesdays (I think) I would come over and we would do our pizza run to town, come back and pull out the mattress into the living room floor and enjoy the evening. I also remember the time that it snowed here in North Carolina and Anna, Tina and I headed to the grocery store to get a gallon of milk. Anna was driving and the snow was really coming down. Tina was laughing so hard because I was half-way out the window using my hand as the windshield wiper because the actual wipers had frozen up. Now that was hilarious! I have so many fond memories of Tina.. so many! The last time I was up I didn't get to see her, but I did see and visit with her the time before that and just as usual, she always had a smile on her face. That is one thing I can say about Tina, no matter what, she always tried to see the positive, cheer you up, and smile. Even though I am not in Minnesota and haven't seen her in a while, I will still dearly miss her. She will ALWAYS be my "Teener Weener" and will always remain in my heart. The memories I have of her will always be cherished. I love you my dear Tina!! You were loved by so so many!! Randy, Anna and Leon, I love you guys too. I know that you will miss her dearly and will cherish the memories you will carry dear to your heart. There will not be a day that goes by that you won't think of her. There will come a day that you will feel her presence surrounding you and it will give you a sense of comfort for knowing that she is and always will be with you. I hate that I couldn't make it up to see her and that I couldn't come up to be there for you now. I know you have many friends and family there. I will try to come up maybe this summer and we can go through pictures and recall the wonderful memories we all cherish of Tina. If you need me, please, call. I am ALWAYS here for you, I am only a phone call away. Tina - - you are free now. Fly, fly my dear Angel for now you feel no pain. Rest now my dear Tina, rest. Mother and I love you Tina, always and forever you will be in our hearts. Mother and I send our thoughts, prayers and love to all of you.

“ *Anna,Randy and Leon, I'm so very sorry for your loss, we all are going to miss that loving angel with all our hearts. Sorry I couldn't be there for you through this horrible time in your lives. Nobody deserves to go through the things Tina and you guys have had to. Knowing Tina is out of pain and she's not suffering anymore is the only thing that keeps me going. There are so many wonderful memories, I wouldn't know where to even start. The day my goddaughter was born to everytime I saw or talked to her was special to me. When she was born, she was the smallest little baby I ever saw. And beautiful the second she arrived. I was PROUD to be asked to be her godmother. What an honor that would be. I couldn't have asked for a better goddaughter, the sweetest,loving,caring,respectful,beautiful person, inside and out. The strength that, that little person had, the fight she fought was remarkable. What a HERO. She went from HERO TO AN ANGEL. Noboby could ask for more than that, or be PROUDER of anyone in this world. I Loved her so much. As I do you all. My love is with you every minute of everyday. Take care, see ya all real soon. Tina butts I LOVE AND WILL MISS YOU SO VERY MUCH, FROM THE BOTTOM OF MY HEART. HUGS AND KISSES TO YOU ALL. Godmother to Tina and Leon,sister to Anna, sister in law to Randy. I will see you all very soon. Love Debi.*

“ I am so sorry to hear about Tina. I wish I could have gotten to know her as an adult. I remember growing up with her a little when you guys would come to North Carolina to visit. My grandparents also wish they could have gone up to see her before she was called home. My prayers or with each of you.

“ What can I possibly say about the most wonderful, brave and kind niece. Memories are what we have now and we have so many good ones. I cannot believe how she went from being my baby girl and holding her hand to an adult being the most caring and compassionate friend I know. Things I will miss about Tina: her sense of humor, her phone calls talking for hours at a time, her advice and her philosophy on life. She was wise beyond her years. I find peace in knowing it is not goodbye, just see you again someday and I know God promises us that. So here's to my best buddy, I will miss you more than I can express and Love You Forever. Love, Aunt Nancy
