“ My favorite memory of Vanette was about 1957 at Aiti's and Pappa's on the farm and Vanette was asked to make whip cream and instead ended up with buttter! I thought that was cool! I also remember when she babysat me. Gordy would come over and she would kiss Gordy on the cheek. Vanette knew that it embarassed me, I would turn red and she would get a chuckle out of that. Our thoughts and prayers are with all of you.

“ I remember being at the farm with mom and dad and us kids when Vanette came home with her graduation pictures. She laid them on the kitchen counter and I looked at them and thought she looked so beautiful. I'll always remember how she looked.
