“ *Constantly thinking of you, never to be the same,  
the tears are falling quickly just hearing your name.*

*Silence is golden yet not anymore  
Silence brings thoughts of you I just can't ignore.*

*The nights are sleepless, my dreams are out of reach.  
Crying in my pillow, already missing you.*

*Surrounded by my family, and yet I still feel all alone.  
My heart is so empty, this pain I must now feel.*

*I wish I could hug you just once more and see your face.  
But now I have only memories to stand in your place.*

*Gone but not forgotten, that's what they say.  
Of course that is true... but if only you could of stayed.*

*So go now Sister Vickie and run free with the angels  
Dance around the golden clouds  
For the Lord has chosen you to be with Him  
And we should feel nothing but proud  
Although He has taken you from us  
And our pain a lifetime will last  
Your memory will never escape us  
But make us glad for the time we did have  
Your face will always be hidden  
Deep inside our hearts  
Each precious moment you gave us  
Shall never, ever depart  
So go and run free with the angels  
As they sing so tenderly  
And please be sure to tell them  
To take good care of you for me  
So go and run free with the angels.....*

*For you, my sister Vickie, Eternal rest now,  
I pray that you are at Peace.*

*With Love from baby Sister, Cindy Hoag*
