“ Chef Nardini was in charge of the Food Service Program at Dakota Country Technical Institute when I attended there from 1984-1986. He was a great chef, instructor, and person. I have many fond memories of his instruction and wonderful sense of humor. My condolences to the family.

“ Steve and Vickie,

Sorry to hear of the passing of your father. I will always remember him in the kitchen of our house in Winona "showing" my mother how to cook. And oh how he hated the electric stove. You are in my prayers.
