“ Tom, Mike & Jim--What a great Mother & Dad you had and for years our best friends and our daughter's godparents. Today (7.24.11) we stopped to see your Mom as we do every yr on the way home from PR and a family reunion and we were surprised when a neighbor told us she had passed away. Our sincere sympathy to the whole family. We treasure our years with them in GV, Maple Grove visits, Wadena and FL. They're together now and we can hear Flip's chuckle and her laughter.
